All players will play. We **DO NOT** guarantee, promise, or assume all players will get **equal** playing time, though all players will get adequate playing time. These coaches will do a great job in ensuring your son has a great experience. Do **NOT** question the coaches' judgment; this is an **ALL-STAR** game it's not treated the same way as a regular season game. You may or may not agree with everything your son's coach does, just be supportive regardless. Parents this is an **ALL-STAR** game don't be critical of your son's coach, be positive and supportive. **NO** player will play the whole game, unless an injury to another player forces him too. Skill guys, there is 1 football, **NOT** everyone will get equal carries, passes thrown to, etc.

Anyone who can't handle the above rules, expectations, etc should think twice about attending. I understand that any violation of the rules is subject to punishment up to and including dismissal. If dismissed, the parents or guardian will be asked to pick up the participant immediately. If dismissed from the team during camp, no refunds will be issued.

Please note that any athlete leaving the dorm after "lights out" will be automatically dismissed from the team. Please note that fighting, drugs, weapons, alcohol or stealing will be cause for automatic dismissal from the team.

I have read and agree to the rules and regulations outlined.
